tifically formulated with the color locked  
into the fiber itself.

# THE KRANICH & BACH

## of Canada Limited

Chosen for the perfection of its workmanship and brilliance of tone by many of the country's most accomplished pianists, the Kranich & Bach is one of Canada's finest instruments. Painstakingly constructed by master craftsmen, it is widely celebrated for the absolute fidelity of its magnificent tone and for the unmistakable beauty and exquisite detailing of every style. In every city's most beautiful homes the Kranich & Bach is cherished as one of the most prized possessions.

Every Kranich & Bach is made to the following specifications:

**Case**—The case is constructed of five-ply wood, with selected veneers, hand-buffed and polished to a satin-smooth lustrous finish.

**Scale**—The equal tension, scientifically designed Grand-type scale gives unusual string length which produces extra depth and volume of tone.

**Bridges**—Highest quality, quarter-sawn Rock Maple is used for the treble bridge, and the shelf-bridge construction distributes the tone to the most responsive sounding board areas.

**Action**—Direct blow action is carefully regulated for touch, depth and repetition.

**Keybed**—The cross-veneered keybed assures rigidity and is of ample height for all persons.

**Hammers**—The heavy hammers are of purest virgin wool and skilled voicers use meticulous care in sanding and picking each hammer for evenness of tone.

**Sounding Board and Ribs**—The sounding board is of finest quality spruce and has been graduated in thickness to best transmit and amplify tone. Its smooth appearance is due to extra finish coats received for "life of the piano" protection.

**Plate**—Full iron plate of unusual strength to withstand string tension.

**Pin-block and Pins**—Pin-blocks are built up of hard, well seasoned maple . . . laminated and cross-grained. The pins are of finest blued steel, rock-maple bushed.

**Pedals**—There are three pedals for greatest musical expression—loud, soft and sustaining bass.

**Back**—Extra-heavy, five-post back.

Select your beautiful Kranich & Bach from the models shown on these pages.
